Dear Member,

Thank you for choosing a MetroPlus Essential plan. At MetroPlus Health Plan, we appreciate your business and are pleased that you have selected us as your health insurer. We pride ourselves on always putting your needs first, and are committed to keeping our members’ wellbeing our top priority.

A first step in getting the most from your health plan is selecting a Primary Care Physician or Nurse Practitioner to serve as your Primary Care Provider (PCP). In the following pages we outline the steps you should take as soon as possible to select your PCP. If you would like assistance, please feel free to contact our Customer Services Department at 1-855-809-4073 (TTY: 711). We can provide assistance in over 15 different languages.

Thank you for trusting us with your health. We look forward to keeping you healthy this year - and for years to come.

Be well.

Arnold Saperstein MD
President and CEO
Important Information

Your Primary Care Provider

When you join a MetroPlus Essential plan, you choose a MetroPlus participating physician or nurse practitioner to be your Primary Care Provider (PCP). We have many PCPs in our network. Your PCP will take care of your health care needs and refer you to other health care providers when you need them.

How to Choose Your Primary Care Provider

If you already have a PCP who is a MetroPlus provider, you can continue to see that provider. If you don’t have a PCP who currently participates with our Essential plans, you can select a new provider from this Provider Directory, or you can recommend your current provider by calling MetroPlus. We will contact them to see if they would like to join our network.

You can find a PCP who speaks your language, is associated with a particular hospital or facility, has an office in or near a particular zip code that is convenient to you and that is wheelchair accessible. There are times when a PCP may close their panel. This is noted in the directory. On certain occasions these PCPs open their panels. If you wish to verify that the PCP’s panel is still closed please contact our Customer Service Department at 1-855-809-4073 (TTY: 711).

You can also use the MetroPlus web site, http://www.metroplus.org/member-services/find-a-doctor-provider, to find a PCP. On the website, go to the “Find a Doctor/Provider” tab and then select “Find a Primary Care Provider.” You can search for a PCP who meets your needs, speaks your language, is associated with a particular hospital/facility, has an office in or near a particular zip code that is convenient to you and that is wheelchair accessible.

Once you choose a PCP, call MetroPlus Customer Services at 1-855-809-4073 (TTY: 711), Monday – Saturday, 8 am – 8 pm, and make sure the provider is taking new patients. This will ensure that you can have the PCP you want.
How to Use This Directory

This directory only includes providers in New York County (Manhattan). If you would like a provider/pharmacy directory from another participating county, please visit our website at www.metroplus.org or call 1-855-809-4073 (TTY 711).

**PCPs** are listed in alphabetical order by specialty (Adult Health Care, Family Practice, Internal Medicine), by zip code. To help you choose a PCP, each provider listing offers the following information:

**Specialists**, including Obstetricians (OB) and Gynecologists (GYN), are listed in alphabetical order by specialty, by zip code. If a Provider practices more than one specialty (for example, Internal Medicine and Dermatology) they will be listed under each specialty.

**Dentists** are listed by specialty, by zip code. (For children under age 19 or Members age 19+ with Dental Coverage)

**Behavioral Health** providers, including Alcohol and Substance Abuse Counseling, are listed by borough, by specialty, by zip code. Behavioral Health Organizations are listed by zip code within each borough.

Following Behavioral Health, **other providers**, such as Laboratory and Vision Care Services (For Members with Vision Coverage), are listed alphabetically by provider type.
Hospitals and Federally Qualified Health Centers are listed by borough in the front of the Directory.

An alphabetical listing of MetroPlus Participating Providers is included at the back of the Directory. If you cannot find your provider in this Directory, please call Customer Services to see if we have recently added him/her in our network.

**Getting Your Prescriptions**

MetroPlus Marketplace members can fill their prescriptions and get certain medical supplies from any pharmacy in the MetroPlus network.

To find a convenient MetroPlus participating pharmacy, go to http://www.metroplus.org/search/find-a-pharmacy or call MetroPlus Customer Services at 1-855-809-4073 (TTY: 711), Monday – Saturday, 8 am – 8 pm.

For Maintenance Drugs we have a mail order option which provides 90 days of medication delivered to your door.

**Important Telephone Numbers & Web Site**

**MetroPlus Customer Services**: Call if you need help making an appointment or if you have a question or concern.

MetroPlus Customer Services: 1-855-809-4073 (TTY: 711)  
Monday through Saturday 8 am – 8 pm

MetroPlus After Hours Service Line: 1-855-809-4073

**MetroPlus Utilization Review**: For review of a MetroPlus decision that treatment is not medically necessary. There are some treatments and services that you need to get approval for before you receive them or in order to be able to continue receiving them. This is called prior authorization. To get approval for these treatments or services you need to call:

MetroPlus Customer Services: 1-855-809-4073 (TTY: 711)  
Monday through Friday 8:30 am – 5 pm  
Fax: 212-908-8521

A Customer Services Representative will answer any questions you have about the process and will transfer your call to the Utilization Review (UR) Department, if needed. Utilization review is what we do to decide whether treatment is medically necessary and will be approved or paid for by MetroPlus Health Plan. Doctors and nurses make the decisions. They do this by checking your treatment plan against medically acceptable standards. Our UR staff is available 8:30 a.m. to 5:00 p.m. Monday through Friday. We have a 24-Hour Health Care Hotline 1-855-809-4073 if you need assistance with a medical problem. UR staff will respond to your message on the next business day.

You or your doctor may also submit a service authorization request in writing by sending it to:

Making Appointments

Appointments to See Your PCP

After choosing your PCP, call and make an appointment for a check-up right away. This will give your PCP the opportunity to learn about you and your health care needs. To make an appointment with your PCP, call the number listed in the Provider Directory or on your MetroPlus Member ID Card. If you need help making an appointment to see your PCP, call MetroPlus Customer Services at 1-855-809-4073 (TTY: 711). If you cannot keep your appointment, please call your PCP to cancel or reschedule the appointment.

Appointments to See an Obstetrician (OB) and Gynecologist (GYN)

You do not need a referral from your PCP to make an appointment with an obstetrician (OB) and gynecologist (GYN). You can choose any OB/GYN provider in this Directory. If your provider is not listed in the Directory, call MetroPlus Customer Services at 1-855-809-4073 (TTY: 711). We may have added that provider to the network.

Pregnant women can choose a Certified Nurse Midwife (CNM) or a Licensed Midwife (LM) in our network. A midwife has training in obstetrics and gynecology and can provide routine services and deliver a baby.
Appointments to See a Specialist

If you need to see a specialist, your PCP will refer you to one. You must see your PCP before making an appointment with a specialist. Your PCP can approve referrals to Participating Providers for:
Specialty care
Laboratory services
Transportation (non-public)
Mental Health or Substance Abuse outpatient services

There are other participating providers that your PCP can refer you for, but you must first get an approval from MetroPlus.
Appointment Availability Schedule

MetroPlus has appointment availability standards. This means that you should be able to receive medical care within a specified time. These timeframes ensure that you receive medical care when you need it.

If you cannot make an appointment within the timeframes listed, call MetroPlus Customer Services at 1-855-809-4073 (TTY: 711).
