Information about this Request for Step Therapy Exception

Use this form to request an exception to the plan step therapy requirement. Step therapy drugs are formulary drugs that are covered only if certain first-line formulary alternatives have been tried first. To process this request, documentation must be provided that step 1 medications have been tried or are likely to cause adverse effects. Please provide clinical information or other evidence supporting medical necessity of the Step 2 drug, including previous drugs attempted for this patient's condition.

You can make an expedited request by indicating this at the top of the attached form. If you request an expedited review and sign the attached form, you certify that applying the 72 hour standard review time frame may seriously jeopardize the life or health of the member or the member's ability to regain maximum function.

Information on the attached form is protected health information and subject to all privacy and security regulations under HIPAA.

The State of New York has created a participant ombudsman program called the Independent Consumer Advocacy Network (ICAN) to provide Participants free, confidential assistance on any services offered by MetroPlus FIDA Plan. ICAN may be reached toll-free at 1-844-614-8800 or online at icannys.org.

MetroPlus FIDA Plan (Medicare-Medicaid Plan) is a managed care plan that contracts with both Medicare and the New York State Department of Health (Medicaid) to provide benefits of both programs to Participants through the Fully Integrated Duals Advantage (FIDA) Demonstration.

Benefits, List of Covered Drugs, and pharmacy and provider networks may change from time to time throughout the year and on January 1 of each year.
